

## EL MAMUT CHIQUITITO

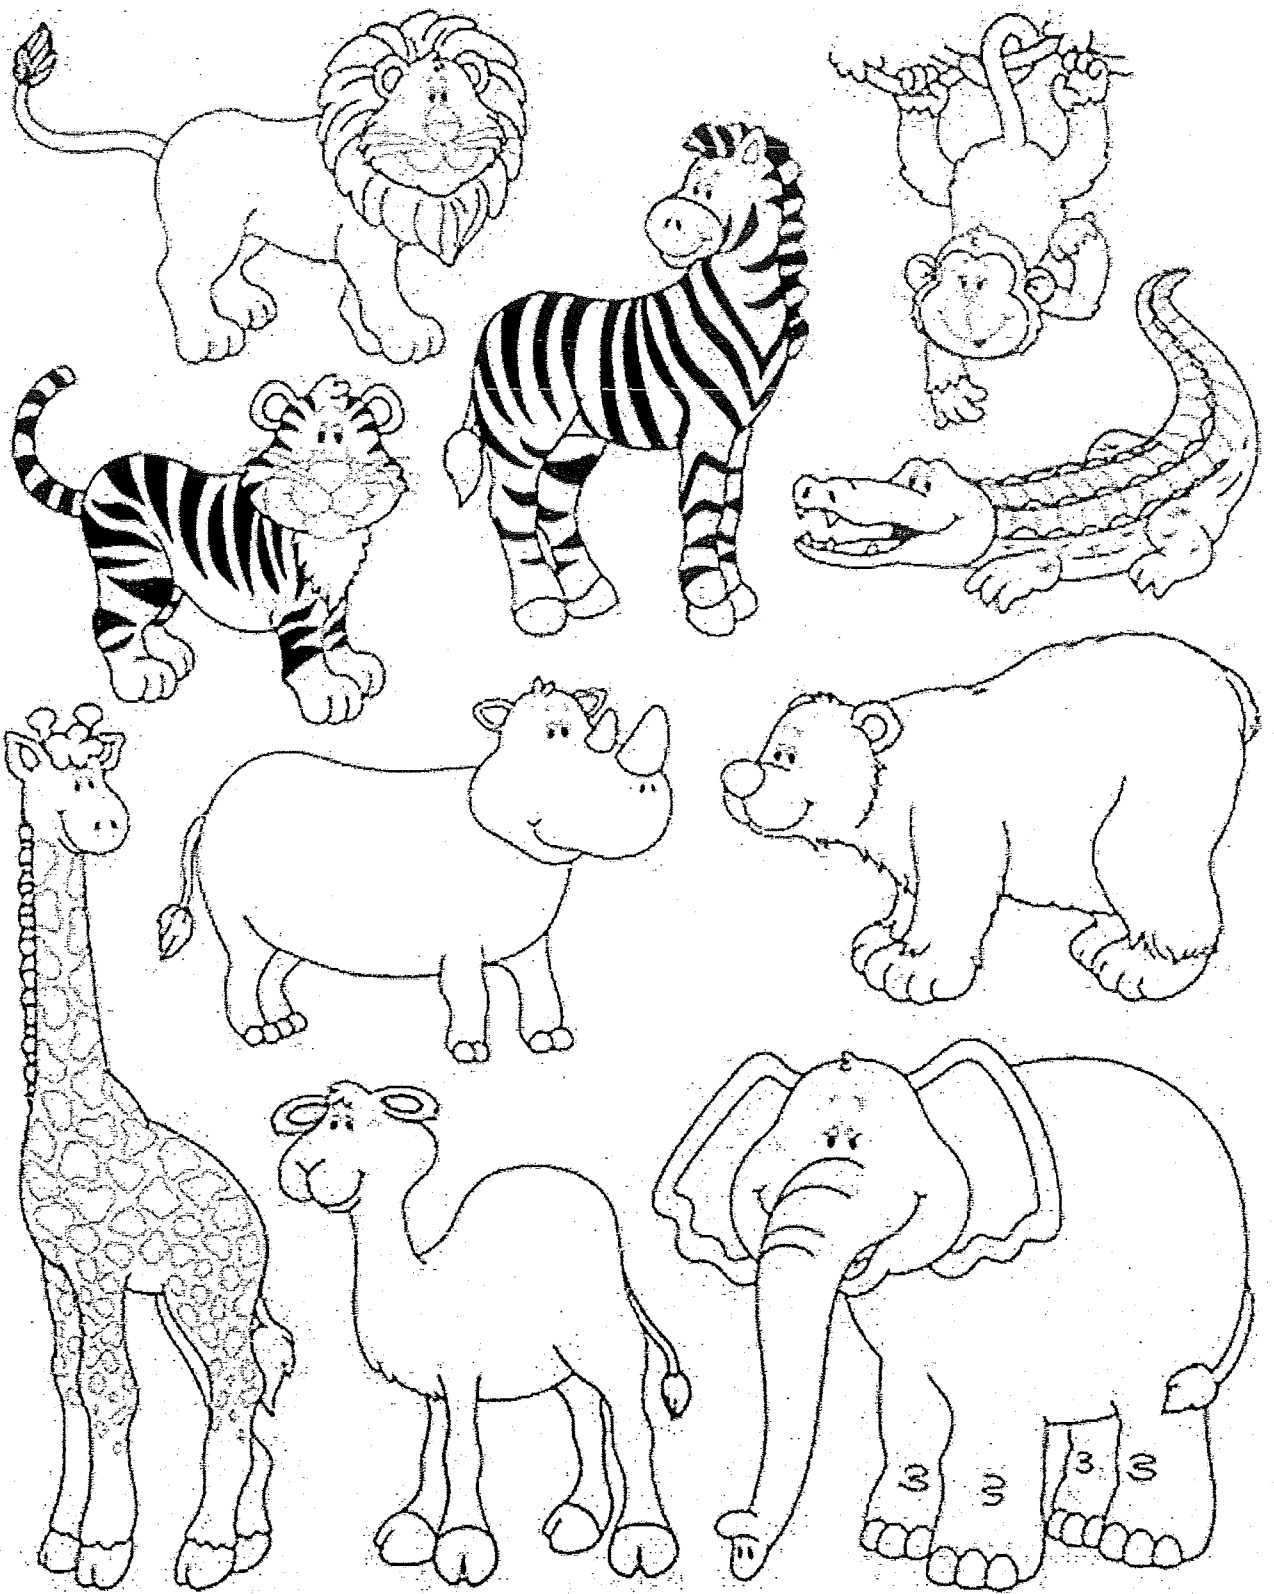

El mamut chiquitito quería volar.  
Miró los ovejitos mas no podía avanzar.  
Con un pajaroito se puso a aprender.  
Y pronto los ovejitos comenzó a mover.

Y volar...el mamut quiso volar.  
Y entre las aves estar...estar.  
Y desde arriba ver el mar...el mar.  
el mar...el mar...el mar.

Cuenta la leyenda que de noche se ve  
por entre las estrellas volar no se qué.  
Yo sé que es esa cosa que todos ven volar.  
Es un mamut chiquitito que aprendió a volar.

Y volar...el mamut quiso volar.  
Y entre las aves estar...estar.  
Y desde arriba ver el mar...el mar.  
el mar...el mar...el mar.
